Evaluation Kit for Resistive Touch Panels

■ At FCL Components we understand that time is money and in order to fully see the advantages in using any of our range of touch panels, an evaluation is necessary.

■ **ADDITIONAL INFORMATION**
For any additional information on any of the individual items, see the detailed specification documents in our Product Selector. However, due to the wide range of sizes, we do not stock a pre-defined kit. Instead, we invite you to contact us and we will assist you in selecting the appropriate components you need for your customized evaluation kit.
